

PALLAS 3 WAY TAP

*Now you can have
hot, cold and filtered
water at your
fingertips...*

The PALLAS 3 WAY TAP offers the ideal way of plumbing in a filtered water supply without having to install a separate tap. Available in a range of colours to harmonise with your kitchen colour scheme: please turn over page.

The PALLAS 3 WAY TAP is supplied complete with 3 flexible 3/8" plumbing connections and 1/4" quick connect fitting to fit most domestic water filters and reverse osmosis units.
