

DOMESTIC / COMMERCIAL RO - UF - FILTRATION

PALLAS VIVA 5T - WITH PUMP

VIVA 5T-BP (UK)

DESCRIPTION

Domestic & Commercial RO's improve the water quality by removing minerals such as sodium, sulphate, chlorine, sediment and bacteria. Better water not only influences your devices, but also the taste of your coffee, your tea, your ice. The domestic & commercial solutions provided by the Pollet Water Group improve your day-to-day life and ease your comfort. Our new Pallas RO range is manufactured inhouse in compliance with the industry's standard and norms.
